

# THE ENCHANTED GARDEN

Hi, my name is Christel Remond.

I have worked at the school for many years. My role is Nurture Leader and Therapeutic Play Specialist. I am available in school Monday to Thursday. I work in the 'Nurture Room', also known as 'The Enchanted Garden'. This is a safe, calm and fun place, where children can come, feel relaxed and at ease. Children are encouraged to work through any issues or concerns that they may be having in a confidential, enjoyable way. A child's well-being has a significant impact on their classroom learning.

Sessions are tailored to a child's specific needs. I offer individual/group play therapy sessions, nurture sessions and 1:1 counselling sessions. As a qualified therapeutic play specialist I am able to support a child with their particular feelings and problems by helping them to work through these.

In school I work closely with the rest of the pastoral team which includes Julie Maloney, Family Support Coordinator, Karen Williams, SENDCO and Alan Mulholland Learning Mentor. If you have any concerns regarding your child's well-being, please do not hesitate to speak to your child's class teacher who can then refer to a member of the pastoral team.
