Dear Parents / Carers

Re: Wharton CE Primary School Parent Forum

We are delighted to be able to invite you to participate in a new and very exciting initiative. We have been looking for a while at ways to involve parents more in the life of the school and some decision-making. To this end, we are planning to start a Parents Forum which will play a key role in evaluating current school procedures and proposed new initiatives.

The Parent Forum will be a partnership between parents/carers and the school. It will be a valuable way to share ideas, views and concerns and make suggestions for improvement.

Membership is open to any parent or carer of a child currently in the school, with all year groups hopefully being represented. Our idea is to have one parent or carer on the forum per class (14 in total). Meetings will be held in school every half-term (6 times each year) and will last roughly 1 hour. (Times to be confirmed suitable to members)

A full Terms of Reference has been published on the school website, you can find it in Parents > Parent Forum, and a copy is also available to view from Mr Bell in the school office. **If you wish to be nominated please make sure you have read this document first.**

If you are interested in becoming a member of the Parent Forum please arrange for the attached form to be completed and returned to school no later than **9am on Friday 24th January 2020.**

You need to be nominated by another Parent / Carer at the school, you cannot nominate yourself.

If you are the only person nominated in your child’s class you will automatically gain membership to the forum. If more than one parent or carer is nominated in any class a secure ballot will be held by school for the parents of that class to determine the successful candidate.
