

Sports Premium grant expenditure: 2019/20

Sport Premium Grant has been used to deliver P.E. across school by specialist coaches. This provision also enables staff to have professional development in a variety of aspects of P.E. We have also used some of our Sport Premium to work with the Sports Partnership across Winsford schools. Our P.E. coordinator regularly liaises with the Sports Partnership within the Winsford Education Partnership (WEP), which has enabled us to provide training for our staff, participate in local school sports competitions and provide us with resources.
