Can parents/carers please note that request for absence that has not been authorised will result in a fixed penalty notice. The Government discourages taking holidays in term time. Evidence shows that children who miss school do not achieve as well as those who attend regularly. The law has restricted a Head Teacher's ability to authorise holidays during term time. Head Teachers are now only empowered to approve a leave of absence when it is requested in advance by the parent or carer with whom the child resides and when circumstances of the requested leave are 'exceptional'.

Should you still choose to take a holiday with your child during this period the Local Authority will be informed as this will constitute an unauthorised absence. A Fixed Penalty Notice will then be issued in accordance with section 444 of the Education Act 1996.

The law stipulates that the current penalties payable by parents are £60 when the penalty is paid within 21 days and £120 when the penalty is paid within 28 days. This penalty is per parent/carer per child.

If the fixed penalty is not paid this could lead to parents/carers being prosecuted in the Magistrates' Court.

If you feel the decision has not taken into account any relevant exceptional circumstances, then you will need to contact the school immediately for further discussion.

This week some of the children visited the Winsford Academy to take part in an Art Workshop. Thank you to all the parents who accompanied the children along with Miss Ditchfield and Mrs Maloney.

On Thursday some children from Year 5 and 6 took part in a football competition against local primary schools in Winsford. After a shaky start we scored lots of goals to earn ourselves a win and a draw. Well done all of you for your effort and commitment. We are all very proud of you.
